

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF THE LOUISVILLE AND	)	
JEFFERSON COUNTY METROPOLITAN SEWER	)	CASE NO.
DISTRICT FOR APPROVAL TO ACQUIRE	)	90-399
THE ASSETS OF PINETREE SANITATION,	)	
INC.	)	

O R D E R

On December 4, 1990, the Louisville and Jefferson County Metropolitan Sewer District ("MSD") submitted an application for approval of an agreement to transfer ownership of Pinetree Sanitation, Inc. ("Pinetree") to MSD.

Having considered the evidence of record and being otherwise sufficiently advised, the Commission finds that:

1. Pinetree owns and operates a wastewater treatment plant serving approximately 20 customers in the Julia Kaye Manor Subdivision of Jefferson County, Kentucky, and is therefore a "utility" as defined by KRS 278.010(3)(f).

2. MSD is a public body corporate and political subdivision created for the purpose of providing adequate sewer and drainage facilities in and around Jefferson County, Kentucky. KRS 76.010.

3. MSD and Pinetree have agreed to the transfer of ownership of the Pinetree wastewater treatment plant and all real property interest associated therewith to MSD for a total consideration of \$125,000. The Agreement which sets out the terms

and conditions of the transfer is attached hereto as the Appendix and incorporated herein by reference.

4. Paragraph 2 of the Agreement provides that the transfer will not formally occur until Exhibits A and B, a Deed and Bill of Sale attached to the Agreement are executed, and that payment by MSD of the consideration will be deferred until MSD obtains the necessary funds. The Agreement further provides that it shall become null and void, unless extended by written amendment executed by the parties, if formal closing does not occur within one year from the date of its execution.

5. Paragraphs 3 and 4 of the Agreement provide that MSD does not expect to obtain the necessary funds to pay the consideration prior to April of 1991, and that Pinetree will continue to operate and maintain the wastewater treatment facility during the interim before formal closing occurs.

6. KRS 278.020 requires Commission approval of the proposed transfer of ownership of the Pinetree wastewater treatment plant.

7. As of June 30, 1989, MSD had total assets of \$436,216,166 and total liabilities of \$42,690,879.

8. MSD has approximately 81 employees licensed as wastewater treatment plant operators.

9. MSD has the financial, managerial, and technical abilities to provide reasonable utility service to the persons currently served by Pinetree.

10. The Commission will retain jurisdiction over the Pinetree wastewater treatment plant until such time as formal closing occurs.

IT IS THEREFORE ORDERED that:

1. The transfer of ownership of the Pinetree wastewater treatment plant to MSD, per the terms of the Agreement, is hereby approved.

2. MSD shall file an executed copy of the Agreement with the Commission within 21 days of the date of this Order. Should any of the terms and conditions set out therein change before the formal transfer of ownership, the approval granted herein shall be null and void and MSD shall refile for Commission approval of the transfer.

3. Within 10 days of the date of formal closing, which is conditioned in the Agreement upon execution of Exhibits A and B thereto and payment of the consideration, MSD shall file an executed copy of Exhibits A and B with the Commission.

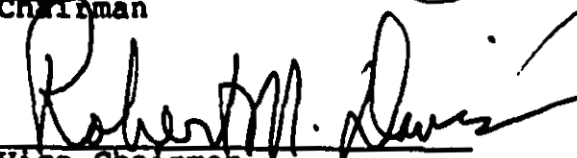

4. If formal closing does not occur before May 1, 1991, MSD shall file a statement with the Commission describing the status of the proposed transfer and the date by which it expects to formally close.

5. Until formal closing occurs, the Commission shall retain jurisdiction over the Pinetree wastewater treatment plant and Pinetree shall continue to be responsible for complying with all Commission rules and regulations, including those which require the timely filing of any information, notice, or reports.

AGREEMENT

THIS AGREEMENT, made and entered into at Louisville, Kentucky, this \_\_\_\_\_ day of \_\_\_\_\_, 1990, by and between PINETREE SANITATION, INC., 1418 Bluegrass Avenue, Louisville, Kentucky 40215 (hereinafter referred to as "Owner"), and the LOUISVILLE AND JEFFERSON COUNTY METROPOLITAN SEWER DISTRICT, a public body corporate and political subdivision organized pursuant to Chapter 76 of the Kentucky Revised Statutes (hereinafter referred to as "MSD");

W I T N E S S E I H

WHEREAS, Owner and MSD have negotiated terms of an Agreement whereby MSD will assume operation of the Pinetree Wastewater Treatment Plant located in the 6200 Block of Terry Road in the Julia Kaye Manor Subdivision in Jefferson County, Kentucky, and will serve the present customers of said Plant and will connect the present customers to MSD's comprehensive collection and treatment system when said system becomes available; and

NOW THEREFORE, in consideration of the foregoing premises and in consideration of the mutual undertakings and obligations hereinafter set forth, the parties hereto agree as follows:

1. Owner agrees, pursuant to the Deeds and Bill of Sale attached hereto and marked Exhibits A and B, to transfer and sell to MSD the real property and facilities described therein and associated with the Pinetree Wastewater Treatment Facility, including the easements, rights-of-way, licenses, privileges, improvements and appurtenances (including sewer mains, lines, manholes, pumping stations, etc., located in public ways or in dedicated public easements) necessary to the operation of the Pinetree Wastewater Treatment Facility and its attendant system, for a total agreed upon consideration of ONE HUNDRED TWENTY-FIVE THOUSAND DOLLARS AND NO CENTS (\$125,000.00), being the agreed upon value of said facilities as of January 10, 1990, the date said

facilities were inspected by MSD personnel.

2. MSD and the Owner agree that formal closing of this transaction by execution of Exhibits A and B, and the payment by MSD of the consideration described in Section 1 hereinabove, shall be deferred until MSD obtains the funds for said payment through the sale of revenue bonds, by other borrowing, or by any other means available to MSD; however, if formal closing does not occur within one year from the date of this Agreement, this Agreement shall become null and void and Owner and MSD shall have no further obligations under this Agreement unless the initial one-year term of this Agreement is extended by written amendment hereto executed by both parties.

3. MSD agrees to pursue all available options in order to obtain the funds for the aforesaid payment within the initial one-year term of this Agreement and to hold formal closing as soon as possible thereafter; however, MSD does not expect to obtain said funds prior to April 1, 1991.

4. Owner agrees to operate the Pinetree Wastewater Treatment Facility and to maintain all equipment, buildings and appurtenances at Owner's expense during the interim before formal closing occurs, at which time said Facility must be in as good a condition or better condition than existed on the original MSD inspection date of January 10, 1990. To assure compliance with this provision, Owner agrees to allow MSD personnel access to said Facility to determine if there are any deficiencies, prior to formal closing, which did not exist at the time of MSD's original inspection date. Should any such deficiencies be found by MSD, Owner shall be notified of the specific deficiencies and shall have thirty days before closing in which to correct the deficiencies to MSD's satisfaction. If said deficiencies are not corrected by the Owner within the thirty-day period, closing shall be held, but the amount of cost estimated by MSD to correct the uncorrected deficiencies shall be withheld from the payment amount described in Section 1 above and be held in escrow by MSD and be used to

pay for correcting said uncorrected deficiencies, provided, however, any escrow balance remaining after said deficiencies are corrected by MSD shall be paid to Owner.

5. Owner agrees to transfer the property described in Exhibits A and B free and clear of all encumbrances, except for easements, restrictions, and rights-of-way of record at the office of the clerk of the Jefferson County Court, and free of all hazardous or toxic materials or substances.

6. Owner shall be responsible for and shall pay all claims, obligations or liabilities in existence prior to the date of execution of Exhibits A and B or arising out of events occurring prior to the date of execution of Exhibits A and B, including, but not limited to, any and all taxes assessed or payable, liens, operating debt and expenses, and claims for personal injury or property damage. Real estate taxes shall be prorated as of the date of the closing. The Owner shall defend and indemnify or shall hold MSD harmless from any claims, obligations, or liabilities which arise out of any event, incident, or liability involving injury or damage to the person or property of others occurring prior to the date of execution of Exhibits A and B, including reimbursement of MSD for any attorney fees, court costs, or other expenses incurred by MSD in defense of such claims, obligations, or liabilities; and the Owner warrants that no litigation is known by Owner to be contemplated or pending with reference to any matters relating to the wastewater treatment facility and its attendant collector system.

7. MSD agrees to indemnify, defend, and hold Owner harmless from any claims, obligations, or liabilities arising from events, incidents, or liabilities occurring after the date of execution of Exhibits A and B, hereto, which claims, obligations, or liabilities are related to MSD's ownership and operation of the wastewater treatment facility and its attendant collector system. Before MSD shall have any liability under this indemnity paragraph, it

must receive prompt and reasonable written notice of any claim, obligation, or liability for which the Owner seeks indemnity as soon as Owner receives notice of the claim, obligation, or liability, and MSD must have an opportunity to defend any such claim, obligation or liability.

8. When MSD determines its comprehensive collection and treatment system is available, MSD will install, at MSD's expense, a connection to divert the wastewater away from the Pinetree Wastewater Treatment Facility and into MSD's sewer system. After said connection, MSD shall then demolish the treatment plant above-grade structures and holding tanks and restore the site to rough grade and deed the plant property back to the Owner for the sum of ONE DOLLAR AND NO CENTS (\$1.00), with MSD retaining any easements or rights-of-way it deems necessary for its operations. MSD agrees to remove any hazardous or toxic materials or substances deposited by MSD on the property described in Exhibits A and B.

9. Effective with the first full Louisville Water Company meter-reading period following the day Exhibits A and B are executed, MSD shall charge all customers of the Pinetree Wastewater Treatment Facility in accordance with its regular schedule of rates, rentals and charges for wastewater service. After execution of Exhibits A and B, MSD shall receive all billing collections and shall pay Owner all collections of billings rendered prior to the aforesaid initial MSD billings.

10. In conjunction with the acquisition by MSD, Owner shall tender to MSD on the date of execution of Exhibits A and B any and all deposits, security deposits, developer deposits, or other funds held by Owner for the benefit of or future use by or credit to customers of the Pinetree Wastewater Treatment Plant, together with any records or documents related to said funds. MSD shall hold said funds under the same terms for the benefit, use, or credit of the customers. Owner further agrees to tender to MSD one set of keys to the

facilities, all records, documents, files, billing lists, customer lists, etc. related to the operation of the Pinetree Wastewater Treatment Facility on the date of execution of Exhibits A and B. MSD shall takeover operation, possession and responsibility for the Pinetree Sewage Treatment Plant and facilities at 12:00 midnight following the execution of Exhibits A and B.

11. Owner declares there are no written or oral contracts or other obligations to be assumed by MSD. MSD shall not honor or be responsible for any agreements entered into by Owner, but not identified herein and made a part of this Agreement. Owner agrees that, during the term of this Agreement, Owner shall not enter into additional agreements with respect to services to be provided by or use of the Pinetree Wastewater Treatment Facility without the written consent of MSD. The intent of this provision is not for MSD to unnecessarily withhold consent of agreements for additional use of the Pinetree Wastewater Treatment Facility, but to assess the impacts of such agreements entered into during the term of this Agreement with respect to the agreed consideration described in Section 1 above. Except with respect to the reserve capacity as set out in numerical paragraph 12 below, Owner agrees that MSD shall withhold from its payment to Owner at formal closing \$2.56 for each gallon-per-day of design capacity utilized or to be utilized by agreement with the Owner entered into during the term of this Agreement, with MSD determining said usage of design capacity by use of standard criteria for the design of wastewater treatment facilities.

12. MSD agrees to reserve for Owner 32,000 gallons per day of wastewater treatment capacity, but not in excess of the unused design capacity available as of the date of formal closing, to be used for all or part of the following properties to be connected at Owner's cost to the Pinetree Wastewater Treatment Facility, and with the waiver of MSD's Connection Fees and Capacity Charges:

Lots 49-51, 54, 55 and 65-67 of Julie Kay Manor Subdivision, Section 1; and, the vacant ground surrounding the sewer plant which has a legal description attached hereto and made a part hereof as Exhibit C.

When the properties hereinabove described are developed and the individual connections approved by the Louisville and Jefferson County Department of Health for hook-up to the Pinetree sewerage system are installed, MSD will determine, based on MSD's design criteria, the gallons per day of wastewater treatment capacity to be assigned each connection and shall deduct same from the gallons per day reserved for the OWNER to determine the balance of unused reserved capacity.

Owner agrees this provision shall expire ten years from the date of execution of this Agreement, and any unused reserved capacity as of that date cannot be later used without payment of MSD's regular fees for connections.

13. This Agreement shall be binding upon, and shall inure to the benefit of the executors, heirs, successors and assigns of the parties hereto.

14. This Agreement embodies the whole agreement of the Parties. There are no promises, terms, conditions or obligations other than those contained herein; and this Agreement shall supersede all previous communications, representations or agreements, either verbal or written, among the parties.

15. If any section, clause or provision of this Agreement shall be held invalid, such holding of invalidity shall not effect the validity of any remaining section, clause, paragraph, portion or provision of this Agreement.

16. No part of this Agreement may be altered, modified, or changed in any way except in writing signed by the parties hereto or signed by the duly authorized representative of said parties.

17. The Parties hereto agree that the terms and conditions of the Agreement shall survive and remain in effect after the transfer of the real

estate and property of the Pinetree Wastewater Treatment Facility and the execution of Exhibits A and B.

IN TESTIMONY WHEREOF, witness the signatures of the Parties hereto where appropriate by their proper officers and duly authorized by resolution of their respective governing bodies, the day, month and year first above written.
